

Zone Name	Description Description
Serbithang	<p>East: Municipal boundary, including a cluster above the boundary</p> <p>West: National Biodiversity Centre (NBC) campus</p> <p>North: Areas above Royal Centre for Disease Control (RCDC)</p> <p>South: Ngabe Rong Chhu</p> <p><i>Note: The cluster settlement outside the municipal boundary is included in this zone</i></p>
Babesa Lam Tag	<p>East: Municipal boundary, including a clustered settlement outside the boundary</p> <p>West: Old Highway (Bapi Lam)</p> <p>North: The gully that runs down from Zingkhalo (Chuniding resort) down until the old highway</p> <p>South: The Botanical Park ridge</p> <p><i>Note: The cluster settlement outside the municipal boundary is included in this zone</i></p>
Babesa Lam Wog	<p>East: Babesa old highway (Bapi Lam), including the west boundary of Serbithang zone</p> <p>West: Wangchhu River</p> <p>North: The gully that runs down from the old highway (Bapi Lam) till the Wangchhu river</p> <p>South: Ngabe Rong Chhu, including a clustered settlement across the stream</p> <p><i>Note: The cluster settlement across Ngabe Rong Chhu is included in this zone</i></p>

<p>Simtokha E4</p>	<p>East: Municipal boundary (after Chuniding Resort) till the ridge behind Simtokha Dzong and connecting the old highway (Simtokha Lam)</p> <p>West: Start point of Chubogang Lam to Boetegang Lam 3 (touches DANTAK). It follows the Eastern boundary of (Simtokha Above Highway) Zone.</p> <p>North: Road junction where Bapi Lam and Simtokha Lam meet TO Simtokha Lam below Simtokha Dzong</p> <p>South: The gully that runs down from Zingkhalo (Chuniding resort) down until the road junction of Chubogang Lam and Gepja Lam 2</p>
<p>Simtokha - Above old Highway</p>	<p>East: Start point of Chubogang Lam to Boetegang Lam 3 (touches DANTAK). It follows the Western boundary of (Simtokha E4) Zone.</p> <p>West: Above old highway (Bapi Lam). From the Junction of Bapi and Chubogang Lam till the northern DANTAK camp. This zone excludes the two DANTAK campus</p> <p>North: Bapi Lam where the northern DANTAK boundary ends</p> <p>South: The junction of old Highway (Bapi Lam) and Chubogang Lam</p>
<p>Tshalu Barp</p>	<p>East: Bapi Lam (from junction with Chubogang Lam to the southern DANTAK campus)</p> <p>West: Sewerage Treatment Plant</p> <p>North: Tshalu Lam 1, Tshalu Lam 2 and the northern STP tank</p> <p>South: The gully that runs down from Zingkhalo (Chuniding resort) down until the southern part of STP, ending at Wangchhu river</p>
<p>Tshalumarphey</p>	<p>East: Bapi Lam (from southern DANTAK camp) till the junction wher Bapi Lam meets Simtokha Lam, including Soil Centre campus</p> <p>West: River Wangchhu</p> <p>North: Simtokha Lam (near Soil Centre campus) to River Wangchhu</p> <p>South: The Northern boundary of Tshalu Barp zone</p>

<p>Simtokha Dzong Area</p>	<p>East: Municipal boundary (forest line after crossing the BPC substation)</p> <p>West: Eastern boundary of Simtokha E4 zone (the ridge behind Simtokha Dzong)</p> <p>North: Olarong Chhu stream (above Simtokha old bridge)</p> <p>South: Municipal boundary (forest line)</p>
<p>Olarongchu Workshop Area</p>	<p>East: Eastern end of workshop area (and below the Soil Centre campus)</p> <p>West: Wangchhu River</p> <p>North: Olarongchhu</p> <p>South: Simtokha Lam (near Soil Centre campus) to River Wangchhu</p>
<p>Chang Jalu</p>	<p>East: Old Highway (Lungten Lam from above the Chang Rigphel School) and boundary of RBA officer's colony</p> <p>West: Wangchhu river</p> <p>North: Lungten Lam 1, Lungten Lam 2, Jalu Gom Lam, Jalu Lam and Pelkhil Lam</p> <p>South: Olakha Lam, Jalu Lam, Junction of Olakha Gom Lam and Olakha Lam 5 and then upto Lungten Lam</p>
<p>Chang Olakha</p>	<p>East: Old highway (Lungten Lam) including BPC colony</p> <p>West: River Wangchhu</p> <p>North: : Olakha Lam, Jalu Lam, Junction of Olakha Gom Lam and Olakha Lam 5 and then upto Lungten Lam</p> <p>South: The gully below Lungten Lam (south of BPC colony) and Olarong Chhu (from below the Soil Centre) to the confluence where it meets the Wangchhu river</p>
<p>Pelkhil</p>	<p>East: River Wangchhu</p> <p>West: Municipal boundary (forest line below Kuenselphodrang)</p> <p>North: Ridge below Kuenselphodrang till Wangchhu River</p> <p>South: Municipal boundary (forest line)</p>

Lubding	<p>Municipal boundary (forest line above Lubding area)</p> <p>West: Lungten Lam (excluding BPC colony)</p> <p>North: RBA boundaries</p> <p>South: Settlements immediately above Thimphu-Wangdue Highway (Zhung Lam 2)</p>
RIM (Tsa Tsho)	<p>East: Thimphu-Wangdue Highway (Zhung Lam 2) and Municipal boundary</p> <p>West: The gully below Lungten Lam (south of BPC colony)</p> <p>North: Settlements immediately above Thimphu-Wangdue Highway (Zhung Lam 2)</p> <p>South: Olarong Chhu, all the way from (below the Simtokha BPC substation) to area below Soil Centre</p>
	<p>East: Old Highway (Sama Lam), from RBA main gate to Samazingkha</p> <p>West: Municipal boundary (forest line below Kuenselphodrang)</p> <p>North: Samazingkha RBA boundary to Wangchhu river until near Changjiji football field, cross the expressway (Wangchhu Lam) and follow the ridge along Hindu Temple till the municipal boundary</p> <p>South: Ridgeline from below Kuenselphodrang, cross the Wangchhu river, follow the road to RBA main gate (via Helipad)</p>
Changbangdu	<p>East: Wangchhu River</p> <p>West: Municipal boundary (forest line below Kuenselphodrang)</p> <p>North: From Wangchhu (near Changjiji football field), cross the expressway (Wangchhu Lam) and follow the ridge along Hindu Temple till the municipal boundary</p> <p>South: Ridgeline from below Kuenselphodrang until upto Wangchhu river</p>
Changjiji	<p>East: Old Highway (Sama Lam), from RBA main gate to Samazingkha</p> <p>West: Wangchhu River (from Samazingkha RBA area to Ramada hotel area)</p> <p>North: Samazingkha RBA area</p> <p>South: Pelkhil bridge to helipad and then up until RBA main gate</p>

<p>Changzamtok Toed</p>	<p>East: Junction of Bangdu Wom Lam and Bangdu Wom Lam -1, to Junction of Bangdu Wom Lam and Zeri Lam, to junction of Zeri Lam and Zangrel Lam, to junction of Zangrel Lam and Gongphel Lam, to the junction of Gongphel Lam and Hebi Lam</p> <p>West: Junction of Zeri Lam and Gaki Lam (Druk School junction), to the gully at Gaki Lam (before reaching Hindu Temple)</p> <p>North: From the junction of Gongphel Lam and Hebi Lam (opposite Kidney Dyalysis), to Hebi Lam-4, follow the JDWNRH boundary, to the junction where Zeri Lam meets Gaki Lam (Druk school junction)</p> <p>South: The ridge below the Hindu Temple (but excludes Hindu Temple)</p>
<p>Changzamtok Moed</p>	<p>East: Wangchhu river (from below the athletic ground) to Wangchhu river (below the Changjiji football field)</p> <p>West: Junction of Bangdu Wom Lam and Bangdu Wom Lam -1, to Junction of Bangdu Wom Lam and Zeri Lam, to junction of Zeri Lam and Zangrel Lam, to junction of Zangrel Lam and Gongphel Lam, to the junction of Gongphel Lam and Hebi Lam</p> <p>North: RBP boundary wall between the Gongphel Lam and Wangchhu Lam Expressway)</p> <p>South: the ridge south of 4 same buildings above Wangchhu Lam (expressway)</p>
<p>Chang Gidaphu</p>	<p>East: Junction of Zeri Lam and LDW Lam N, to Junction of Zeri Lam and Gaki Lam (Druk School junction), to the gully at Gaki Lam (before reaching Hindu Temple)</p> <p>West: Municipal boundary (forest line above Ex Chief Chstice)</p> <p>North: The ridge/cliff (where rock climbing is done), down until the Zeri Lam where it meets the JDW LamN.</p> <p>South: Municipal boundary (forest line)</p>
<p>YHS</p>	<p>East: Municipal boundary following the forest line from Tandiney to the labor camp above new Dechen Zam bridge</p> <p>West: Wangchhu river from the new Dechen Zam to Wangchhu river near Samazingkha RBA camp</p> <p>North: Dechen Zam</p> <p>South: Samazingkha Gully (including the cluster settlement in the south), down until the Samazongkha RBA camp</p>

	<p>East: From Wangchhu river and Chhubachhu stream confluence to Lungtenzampa bridge</p> <p>West: From the junction where Gongphel Lam meets Dashuel Lam (junction above Memorial Chorten), following the Doebum Lam until the Chubachhu bridge.</p> <p>North: From Chhubachhu Bridge to the new Dechen Zam (along Chhubachhu stream)</p> <p>South: From Lungtenzampa to RBP gate 1 to RBP gate 2 to the Junction where Gongphel Lam meets Dradul Lam (Junction above Memorial Chorten)</p>
Norzin Tag	<p>East: Norzin Lam starting from junction where it meets Chang Lam Gom, to Chhubachu roundabout.</p> <p>West: From the junction where Gongphel Lam meets Dashuel Lam (junction above Memorial Chorten), following the Doebum Lam until the Chubachhu roundabout.</p> <p>North: Chubachhu roundabout</p> <p>South: IMTRAT boundary between Norzin Lam and Doebum Lam</p>
Norzin Wog	<p>East: From Wangchhu river and Chhubachhu stream confluence to Lungtenzampa bridge (including RAPA and Labor camp in the north but excluding BOD, TCC godown & Multilevel parking in the south)</p> <p>West: Norzin Lam starting from junction where it meets Chang Lam Gom, to Chhubachu bridge.</p> <p>North: North: From Chhubachhu Bridge to the new Dechen Zam (along Chhubachhu stream). Includes RAPA and Labor camp in the north</p> <p>South: From Lungtenzampa to RBP gate 1 to Norzin Lam (but excluding BOD, and TCC godown)</p>
Chang Ziri	<p>East: Junction where Zeri Lam meets JDW LamN, to the junction of Zeri Lam and Gangkha Lam, to above YDF park</p> <p>West: Municipal boundary (forest line)</p> <p>North: The ridge above YDF park</p> <p>South: From the junction of Zeri Lam and JDW LamN, and the ridge above this junction</p>
Chang Khorlo	<p>East: from the junction of Gongphel Lam and Jedren Lam (below Desuung Club House), to the junction of Gongphel Lam and Dadhuel Lam (above Chorten), follow Doebum Lam until it meets the Gumji Lam</p>

	<p>West: From Zeri Lam (where the JDWNRH boundary wall ends), to the junction of Zeri Lam and Gangkha Lam, up to above YDF park</p> <p>North: From the junction of Doebum Lam and Gumji Lam, to the footpath bordering the YDF park, until it meets the Gangkha Lam</p> <p>South: Northern boundary of JDWNRH campus from the junction below Desuung Club house and Zeri Lam</p>
Chang Gangkha	<p>East: From the junction of Doebum Lam and Deki Lam, to Chubachhu bridge</p> <p>West: From the junction of Geney Lam and Thegchen Lam, to the junction of Thegchen Lam and Dajo Lam, to Damisa Lam-10.</p> <p>North: Chhubachhu stream</p> <p>South: From the junction of Doebum Lam and Deki Lam, the junction of Deki lam and Genyen Lam, to the junction of Genyen Lam and Gangkha Lam, to the junction of Genyen Lam and Thegchen Lam</p>
Motithang Maed	<p>East: From the mid point above YF park, the the junction of Gangkha Lam and Genyen Lam, to the junction of Genyen Lam and Thegchen Lam, to Damisa Lam-10 (includes RBP and BPC family line next to Minister's enclave)</p> <p>West: From the double turning (Damisa Lam), to the junction of Damisa Lam and Dam Dajo Lam</p> <p>North: The stream south of Lhengay Densa</p> <p>South: Municipal boundary (forest line above Nado Poizoe Khang)</p>
Motithang Toed	<p>East: From the double turning (Damisa Lam), to the junction of Damisa Lam and Gaden Lam, to the point where Sangaygang Lam begins</p> <p>West: Family lines below the Palace area</p> <p>North: Sangaygang Lam</p> <p>South: Municipal Boundary (forest line above Nado Poizoe Khang)</p>
Kawangjansa	<p>East: Chophel Lam below Bhutan Telecom to Office of Department of Immegration and Census</p> <p>West: Sangaygang Lam and the municipal boundary (forest line)</p>

	<p>North: A straight line from south of Anim Dratshang to Chophel Lam</p> <p>South: Chhubachu stream</p>
Zilukha	<p>East: From the junction of Chophel Lam and Chophel Lam-5, to the junction of Chophel Lam and Dechenphodrang Lam</p> <p>West: Municipal boundary (forest line above Anim Dratshang)</p> <p>North: Three identical structures above Dechenphodrang Lam</p> <p>South: A straight line from south of Anim Dratshang to Chophel Lam</p>
Hejo Village	<p>East: Wangchhu river</p> <p>West: Chagchen Lam (below Supreme Court)</p> <p>North: Diplomatic enclave area</p> <p>South: Junction of Chagchen Lam and Duthroe Lam</p>
Langjophakha	<p>East: Municipal boundary (forest line)</p> <p>West: Wangchhu river</p> <p>North: A straight line from the confluence of Wangchhu and Samtenling chuu to Taba Lam</p> <p>South: National Assembly building and municipal boundary (forest line)</p>
Samtenling Wog	<p>East: India House boundary (includes informal settlement along Samtenling chhu)</p> <p>West: Babena Lam and Dechenphodrang ridge</p> <p>North: Samtenling chhu</p> <p>South: Diplomatic Enclave area, including Dechenphodrang precinct</p>
Samtenling Tag	<p>East: Babena Lam and Dechenphodrang ridge</p> <p>West: Municipal boundary (forest line)</p> <p>North: Samtenling Chhu</p> <p>South: Municipal boundary (forest line)</p>

Jongshina	<p>East: Wangchhu River</p> <p>West: Municipal boundary (forest line)</p> <p>North: The gully, upto Jongshina Lam (including the settlements below Jongshina Lam)</p> <p>South: SAntenling chhu</p>
Pamtsho	<p>East: WAngchhu river</p> <p>West: Municipal boundary (forest line)</p> <p>North: South boundary of Dechencholing Palace</p> <p>South: The gully, upto Jongshina Lam (excluding the settlements below Jongshina Lam)</p>
Taba Lam Tag	<p>East: Municipal boundary (forest lines), and excluding RBA campus</p> <p>West: Taba Lam</p> <p>North: Forest</p> <p>South: Municipal boundary (Forest line)</p>
Taba Lam Wog	<p>East: Taba Lam</p> <p>West: Wangchhu river</p> <p>North: Bridge below Dechencholing Palace</p> <p>South: Cluster settlement before Taba hoka</p>
Dechencholing Tag	<p>East: From Dechenphodrang palace main gate, to RBG boundary Wall, follow this boundary wall till the 3 fuel reservoir tanks (note: include the cluster north of reservoir tanks)</p> <p>West: Municipal boundary (forest line), including the settlement outside the municipal boundary</p> <p>North: Dechenphu Lam (but includes the cluster north of this road)</p> <p>South: The gully above Dechenphodrang Palace</p>
Dechencholing Wog	<p>East: Wangchhu river</p> <p>West: Dechen Lam (including the school area and BPC areas)</p>

Notes: 1. Super zone boundaries and zone boundaries sometimes overlap due to ground conditions. Change of boundaries may confuse the front liners while delivering the services. Therefore, for the purpose of activities related to COVID-19, these boundaries will be continued. However, for the purpose of urban planning, the boundaries need to be adjusted.
